RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy*
Docket UE-161123

TO ALL PARTIES:

On July 13, 2017, the Washington Utilities and Transportation Commission (Commission) issued Order 06, Final Order Approving Settlement Agreement, in this docket. Pursuant to Paragraph 71 of the Final Order, the Commission must determine whether Microsoft Corporation (Microsoft) is in compliance with sections 4.9.1 and 4.9.2, pertaining to the acquisition of renewable energy, of the special contract included in the settlement agreement. If the Commission finds Microsoft in compliance, the Commission's Secretary will be authorized to issue a letter confirming compliance.

The matter of Microsoft's compliance with sections 4.9.1 and 4.9.2 for 2019 came before the Commission on its regularly scheduled Open Meeting on August 8, 2019.

At the Commission's August 8, 2019, Open Meeting, Commission staff (Staff) informed the Commission that Microsoft had complied with sections 4.9.1 and 4.9.2 for 2019 and recommended that the Commission authorize the Executive Director and Secretary to issue a letter confirming Microsoft's compliance. No other party made a recommendation.

The Commission authorized the Executive Director and Secretary to issue a letter finding that Microsoft has complied with sections 4.9.1 and 4.9.2 for 2019.

This letter, therefore, confirms that Microsoft has complied with sections 4.9.1 and 4.9.2 for 2019.

MARK L. JOHNSON
Executive Director and Secretary
