CASCADE NATURAL GAS CORPORATION

RESIDENTIAL CONSERVATION INSENTIVE PROGRAM

(N)

Continued from previous Page

GENERAL PROVISIONS:

The administrative and program delivery costs associated with this program will be accounted for and recovered through a temporary technical adjustment mechanism in the deferral tracking portion of the Company's annual PGA filing. All installations of weatherization and equipment must comply with all codes and permit requirements applicable in the state of Washington and must be properly inspected, if required, by appropriate agencies. Customer must submit required documentation of purchase and installation to the Company under the terms and instructions on the current rebate form. The Company reserves the right to verify installation prior to payment of any rebates.
