**Subject:** Deadline for response to PSE Motions to Strike

Good afternoon,

Per my conversation with Mr. Trotter, the parties have requested an additional day to provide a letter indicating a settlement agreement in principle has been reached. The parties anticipate requesting that the Motions filed by PSE be held in abeyance pending the Commission's consideration of the settlement.

A one day extension on any response to the Motions to Strike is reasonable, and I grant that request.

Thank you again for keeping me apprised of the situation.
