- We previously gave notice that the certificate listed above would be suspended if acceptable proof of liability and property damage insurance was not filed with this Commission. The Commission has not received proof of insurance.
- Therefore, this order suspends the auto transportation certificate listed above for a period of 30 days starting from the service date of this order. Suspension means that the holder must <u>cease</u> all operations associated with this certificate until the Commission receives acceptable proof of liability and property damage insurance and issues an order lifting the suspension and authorizes the holder to resume operations. If the holder fails to provide acceptable proof of liability and property damage insurance by the end of the 30 day suspension period, the Commission will cancel the certificate without further notice or order. Cancellation means the holder may not operate without first applying for and obtaining a new certificate.
- If you wish to contest the suspension or cancellation of your authority you may do so by requesting a hearing within 20 days after the date on which this order was mailed. If the Commission receives from you a timely request for a hearing, it will send you a notice stating a time and place for your hearing. Unless the Commission provides otherwise in its notice of hearing, the sole issue will be whether, at the time of suspension or cancellation, the holder of the certificate had the requisite proof of insurance on file with the Commission as required by RCW 81.68.060.

ORDER

The Commission hereby suspends the auto transportation certificate specified above for a period of 30 days effective the service date of this order. If the Commission does not receive proof of insurance as specified in RCW 81.68.060

the date the suspension expires, the auto transportation certificate will be cancelled effective with the expiration of the suspension period, without further notice or order of the Commission.

DATED at Olympia, Washington and effective this 19th day of September, 2005.
