E. Interim Surcharge

1. This interim surcharge is for the purpose of recovering a revenue increase of \$29.7 million, which offsets a similar decrease in access charge revenue required by the Commission's August 12, 2003 Eleventh Supplemental Order in Docket No. UT-020406.
2. An interim surcharge of \$3.54 will apply to the following services: basic calling residential service (IOSC 10680), premium residential service (IOSC 74864), residential-local calling plan (IOSCs 66677 and 30052), premium residential foreign exchange (FX) (IOSC 36037), premium residential foreign company (IOSC 21675), Verizon Local Package Extra<sup>SM</sup> (IOSC 48804), Verizon Local Package<sup>SM</sup> (IOSC 48803), basic calling one party business service (IOSC 21671), premium one party business service (IOSC 11135), premium foreign exchange (FX) business service (IOSC 11165), premium foreign central office (FCO) business service (IOSC 21688), optional local calling plan (OLCP) premium plus flat one party business service (IOSC 30050) and optional local calling plan (OLCP) premium plus measured one-party business service (IOSC 66671).
3. The interim surcharge is subject to refund with interest as may be ordered by the Commission and will expire once permanent rates are made effective in Docket No. UT-040788.
