

of T-Mobile's ETC service area in Washington. Both Commission Orders refer to T-Mobile West Corporation as the entity to which the Commission granted ETC designation.

T-Mobile requests that the Commission issue an Order modifying Order Nos. 01 and 02 to clarify that, effective June 25, 2012, T-Mobile West LLC will be the corporate entity designated as an ETC under those prior orders.<sup>1</sup> Given the timing of the corporate reorganization resulting in a name change effective June 25, 2012, it is important that the Commission's granting of ETC designation for T-Mobile be consistent with the name of the entity that will submit bids in Auction 901. The FCC has stated that "[a]n Applicant [bidder] must be the entity designated by a State or the [FCC] as an ETC in that geographic area." DA 12-641, AU Docket No. 12-25 (issued May 2, 2012), ¶93.

<sup>1</sup> On May 25, 2012, in Commission Docket UT-120512, T-Mobile filed Errata pages to its pending Application for Conditional ETC Designation For Purposes of Participating in Mobility Fund Phase 1. Accordingly, any Commission order granting conditional ETC designation for areas outside of T-Mobile's existing ETC area will already reflect the new corporate name.

For the foregoing reasons, T-Mobile requests that the Commission issue an Order modifying Order Nos. 01 and 02 in this Docket to reflect that, effective June 25, 2012, T-Mobile West Corporation will become T-Mobile West LLC and that T-Mobile West LLC will be the designated ETC under those Orders.

Dated this 30<sup>th</sup> day of May, 2012.

Respectfully submitted,

T-Mobile West Corporation
