**RE: Notice of Intent to Send to Collections, Penalty Assessment No. TV-131603**

Dear Chana Green:

As you are aware, on December 23, 2013, the Washington Utilities and Transportation Commission issued Order 03, Initial Order Requiring Respondent to Cease & Desist From Conducting Business as a Household Goods Moving Company Without the Necessary Certificate; Imposing Penalties, assessing a financial penalty against Great American Moving and Storage in the amount of \$5,000 for two violations of RCW 81.80.075(1). Order 03 required Great American to pay \$1,500 of the penalty within 10 days after the Order became final, suspending the remaining \$3,500 conditioned on the Company's compliance with the Order. On February 25, 2014, the Commission issued a notice stating the Company had not paid the \$1,500 of the penalty amount that was due, and as a result, the entire \$5,000 was immediately due and payable. The Company made payments totaling \$400. A balance of \$4,600 remains due and payable. The Commission sent you a Final Notice on November 12, 2014.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$4,600 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

  
SALLY BROWN  
Senior Assistant Attorney General
