Presentation for November 2, 2021 Recessed Open Meeting**

Dear Ms. Maxwell:

Attached please find Puget Sound Energy’s (“PSE”) presentation materials for the November 2, 2021 recessed open meeting regarding the effectiveness of utility fire mitigation and communication plans during the 2021 wildfire season. PSE appreciates this opportunity to discuss its approach to wildfire mitigation, with the top priority being the safety of our customers, our communities and our employees. We look forward to sharing how our pre-season actions, as outlined in PSE’s 2021 Wildfire Mitigation and Response Plan, and our operational response to evolving conditions during the 2021 wildfire season helped reduce the risk of wildfires this year..

Please contact Cathy Koch at (425) 462-3877 for additional information about this filing. If you have any other questions please, contact me at (425) 456-2142.

Sincerely,
