Dear Ms. Maxwell:

On December 3, 2021, the Washington Utilities and Transportation Commission issued a Second Amended Notice of Item to be Heard at the Commission's Regularly Scheduled Open Meeting and Notice of Opportunity to file Written Comments ("Second Amended Notice") in the above-referenced docket.

Consistent with the Second Amended Notice, attached please find Puget Sound Energy's ("PSE's") updated notice to customers ("Second Updated Notice") pursuant to WAC 480-143-210. The Second Updated Notice reflects that (1) this matter will now be considered at the January 27, 2022 Open Meeting, as opposed to the December 23rd Open Meeting, and (2) the last date for customers to mail in comments is now January 7, 2022, as opposed to December 6th, 2021. PSE posted the Second Updated Notice on its website on December 8, 2021. The Second Updated Notice will remain on PSE's website through January 27, 2022, the date of the Open Meeting.

A copy of the Second Updated Notice is attached as Attachment A.
