Re: Commission-led workshop series on the Climate Commitment Act, Docket U-230161

Dear Executive Director Maxwell:

Puget Sound Energy (“PSE”) takes this opportunity to supplement comments it previously provided to the Washington Utilities and Transportation Commission (“Commission”) in response to the Notice of Opportunity to File Written Comments issued in Docket U-230161 on April 10, 2023.

In addition to the comments PSE provided on May 10, 2023, PSE makes one further comment and a request. PSE would like to draw attention to paragraph 22 of Order 01 in Docket UG-230470, which states,

Finally, we require PSE to work with interested parties through the CCA workshop series in Docket U-230161 and with its Low-Income Advisory Group to develop a risk sharing mechanism rather than a cost sharing mechanism. *** We require PSE to propose a risk sharing mechanism in its October filing for Commission review.¹

Considering the obligation referenced above, PSE requests that the Commission set the subject of a risk sharing mechanism on the agenda for the next scheduled workshop in this proceeding. The next workshop is currently scheduled for September 15, 2023, and to date, no agenda has been issued.

Thank you for the opportunity to provide this additional comment and request. Please contact Wendy Gerlitz at (425) 462-3051 if you have questions regarding this request or PSE's previous comments.

Sincerely,

/s/ Jon Piliaris
