COMES NOW, the Energy Project and pursuant to the Notice Setting Time for Responses to Motion to Withdraw Tariff Filing issued by the Commission on July 12, 2013, hereby responds to PacifiCorp's Motion.

The Company’s original case application and supporting testimony and exhibits proposed certain increases to the Company’s Schedule 300 customer service charges to a level that the Company contends reflect its “actual costs.” The proposed increases are to existing charges for: 1) Permanent Facilities Removal, 2) Reconnection, and 3) Unauthorized Reconnection/Tampering. As set forth in the direct testimony of Mr. Charles Eberdt filed in this matter on June 21, 2013, the Energy Project opposes all three of the foregoing customer service charge increases.

Having reviewed the Company’s Motion to Withdraw its changes to those charges, it appears that the proposed tariff filing withdrawal relating to Schedule 300 customer service charges renders the issue moot and, consequently, the Energy Project supports PacifiCorp’s Motion.

DATED, this 15th day of July, 2013.

Attorney for the Energy Project
