**NOTICE OF EXTENSION OF TIME TO FILE RESPONSES TO AT&T'S
MOTION TO COMPEL
(Due July 23, 2003)**

RE: In the Matter of the Review of Unbundled Loop and Switching Rates and
Review of the Deaveraged Zone Rate Structure;
Docket No. UT-023003

TO THE PARTIES:

AT&T Communications of the Pacific Northwest, Inc. ("AT&T") on July 14, 2003, filed a motion to compel Qwest Corporation ("Qwest") to respond to AT&T's data request 001-002 requesting Qwest's customer location information.

On July 17, 2003, Qwest filed with the Commission a request for an extension of time to file a response until July 23, 2003. Qwest asserts that the extension of time is necessary to consult with an expert who is presently on vacation. Qwest reports that AT&T does not object to the request for an extension of time. **Qwest's request for an extension of time to file a response until Wednesday, July 23, 2003, is granted.**

Sincerely,
