**Re: UG-181053: NW Natural's Application for General Rate Increase
Native Documents to Exhs. KSM 2-4**

In response to the Notice of Bench Request and Bench Request No. 1 served in this docket on April 8, 2019, Northwest Natural Gas Company, dba NW Natural ("NW Natural" or the "Company"), hereby provides, in native format, the following Excel exhibits to the testimony of Kevin S. McVay: Exh. KSM-2, Exh. KSM-3, and Exh. KSM-4. These exhibits were originally filed as pdf versions on December 31, 2018. Mr. McVay's exhibits Exh. KSM-2, Exh. KSM-3, and Exh. KSM-4 all are part of one Excel workbook and are now being provided in that manner to ensure that internal links remain intact.

Additionally, the parties to this docket have requested that NW Natural file with the Commission updated workpapers that were provided to the parties during the discovery process. Specifically, NW Natural is filing its supplemental response to UTC Staff Data Request No. 43, in the format provided to the parties including specified dates. That supplemental response contains all of Mr. McVay's workpapers, including updated workpapers that reflect corrected Washington allocation factors. In anticipation that the parties will be using these workpapers in their reply testimony, the Company is providing this information to ensure that the Commission and its advisory staff also have this information.
