Re: Docket No. UT-063061 – Eschelon Arbitration  
Request for Second Extension to File Testimony on Wire Center Issues

Dear Ms. Washburn:

Qwest and Eschelon are discussing the filing of a request regarding a proposed procedure for addressing the wire center issues. That request, if granted, may eliminate the need for the filing of supplemental testimony regarding the wire center issues. Accordingly, Eschelon and Qwest jointly request that the date for submitting supplemental testimony be extended again, from June 14, 2007 to June 21, 2007. All other deadlines that have been established would remain the same.

Sincerely,

Lisa A. Anderl
