Paul J. Allison, under penalties of perjury, declares as follows:

I am the attorney for Northwest Industrial Services, LLC. I was engaged by Northwest Industrial Services to represent them in this matter on February 4, 2009. I have not had

time, and by February 18, 2009 I will not have had time, to adequately prepare for the hearing scheduled for February 18, 2009. Based on the information that I have obtained to date I have concluded that it may be necessary to submit further materials to the Commission prior to the hearing and that it may be necessary to conduct formal discovery. At the informal telephone conference held on February 10, 2009, I stated my intention to request a continuance and Mr. Sells and Mr. Fassio both stated that they had no objection to the granting of a continuance until a date in April or such later date as may be set by the Honorable Adam E. Torem, Administrative Law Judge.

Dated this 10th day of February,

Paul J. Allison
