II.

3. tw telecom is a registered and competitively classified telecommunications company authorized to provide both intraexchange and interexchange telecommunications services throughout Washington. tw telecom currently competes with, and obtains interconnection and related services and facilities from, Qwest Corporation (“Qwest”) in the provision of tw telecom’s telecommunications services.

III.

4. tw telecom has a substantial interest in the proposed transfer of control of Qwest to CenturyTel. Qwest is the largest incumbent local exchange carrier (“ILEC”) in Washington. tw telecom relies on interconnection with, and related services and facilities obtained from, Qwest to offer and provide service to customers in Qwest’s service territory. tw telecom seeks to participate in this proceeding to ensure that the proposed transaction will not adversely impact competition in Washington or tw telecom’s rights and ability to obtain the interconnection and related services and facilities it needs to provide its telecommunications services.

IV.

5. The evidence, if any, and briefing presented by tw telecom will be of material value to the Commission in its determination of the issues involved in this proceeding, and tw telecom’s intervention will not broaden those issues or delay the proceedings.

WHEREFORE, tw telecom prays for leave to intervene as a party to this proceeding, with a right to discovery, to have notice of and appear at the taking of testimony, to produce and cross-examine witnesses, and to be heard in person or by counsel on brief and at oral argument.

RESPECTFULLY SUBMITTED this 24th day of May 2010.
