RE: Docket UE-152072—2016 Annual Report on Conservation Acquisition—REVISED

Pacific Power & Light Company (Pacific Power or Company), a division of PacifiCorp, submits for filing an original and two copies of its revised 2016 Annual Report on Conservation Acquisition for the year ended December 31, 2016.

The Company discovered that some of the measure lives used in the calculations in its June 1, 2017 report were incorrect. The revised report corrects the following items that were affected by the calculations:

- Page 5: Net benefits over the life of the individual measures are estimated at \$15.5m.
- Page 6: Table 1—Portfolio Cost Effectiveness
- Page 38: Table 19—wattsmart Business Cost Effectiveness
