

**STAFF'S SUGGESTED CHANGES**  
**TO BE DISCUSSED OCTOBER 18 & 19**

**480-120-031**

On line 267, remove the reference to WAC 480-80-031(2) and replace with "subsection (2) of this section."

On line 294, add a new subsection to read "(h)Any reference in Part 32 to "Class A" or "Class B" means the classification as set out in WAC 480-120-031(1) above."

**480-120-041**

On lines 328 and 349, the references to 480-80-035 should be changed to "480-80-241 and 242."

On line 339, replace "maximum at which" with "maximum within which."

**480-120-042**

On line 392, insert "by or" before "at..."

On line 395, replace "specified" with required.

**480-120-051**

After line 499, insert a new subsection to read as follows:

(4) When the application for service requires a service extension as defined in 480-120-071, the requirement of (1)(b) of this section does not apply. When a service extension is required, the company must inform the customer within twenty-one days that it will construct the extension and also request payment from the customer according to 480-120-071, or inform the customer in writing that it will request a waiver from the commission pursuant to 480-120-071 which, if granted, will result in the company charging the customer the full cost of construction or result in permission to not be required to construct the extension.

In the event a company informs the customer it will request a waiver, the company must submit the request to the commission within twenty-one days of informing the customer of its decision. A copy of the waiver request must be served on the customer.

#### **480-120-X09**

On line 506, after “confirmation” insert “that it will establish service as soon as the discontinuation takes place.”

#### **480-120-056**
