RE: Application of Pearson, Sharyn and Zepp, Linda, d/b/a Centralia-SeaTac Airport Express
Docket No. TC-010273

Dear Ms. Pearson:

Re: Letter seeking permission to withdraw transfer application

On April 8, 2002, the Commission received a letter by telefax from Shari Pearson seeking permission to withdraw the existing transfer application in this docket. The letter does not indicate whether the letter was served on the parties to the proceeding. On April 11, 2002, the regulatory staff of the Commission (Staff) filed with the Commission a response indicating that Staff does not object to Centralia-SeaTac's request to withdraw, if the Commission imposes certain conditions on the withdrawal.

The present posture of the matter is that witness lists were due on April 10, 2002, and were received from three parties (Staff, Pacific Northwest Transportation Services, Inc., and Linda Zepp) identifying five witnesses they propose to sponsor at the hearing set in this matter for April 25, 2002. These dates are contained in the schedule included in the Second Supplemental Order; Prehearing Conference Order entered in this docket on March 6, 2002.

Time is of the essence if this request is to be served on the parties, and if they are to be able to respond before the hearing. The letter must be served on all parties immediately, i.e. not later than ten o'clock a.m. on Tuesday, April 16, 2002. Responses to the request to withdraw must be filed with the Commission and served not later than noon on Thursday, April 18, 2002. A ruling on the request will be made at that time.

The parties are authorized to serve and file by telefax.

Sincerely,

MARJORIE R. SCHAER
Administrative Law Judge
