

I just got this e-mail from Mr. Porter, the owner of Gateway Shuttle, LLC. He sent a copy to Jack Heckman, Heckman Motors, the only remaining protestant in the case but I don't know if he sent a copy directly to the Commission.

A hearing on Docket TC-051063 is scheduled for 11/8/05 in Port Angeles, so I am forwarding this e-mail to Records Center, the ALJ, and the AG assigned in this case.

Subject Gateway Application

As of this time I have been unable to set up financing for Gateway Shuttle, so at this time I have no choice but to pull my application for authority to operate. Should I be able to set this up in the future I will reapply.

Thank you for your time and effort,
Sincerely,
Jeffrey L Porter
