**NOTICE OF CHANGE OF SCHEDULE
(Prehearing conference set for
January 10, 2008, 9:30 a.m.)**

RE: *Waste Connections of Washington, Inc. v. Enviro/Con & Trucking, Inc. and
Waste Management Disposal Services of Oregon, Inc.*, Docket TG-071194

TO ALL PARTIES:

On November 2, 2007, Enviro/Con filed a request to extend the discovery dates and the prehearing conference scheduled in this proceeding. The reason for the request was the unexpected need for medical leave on the part of Enviro/Con's counsel. The other parties to the proceeding do not oppose the request.

Enviro/Con requests that the date for submission of the second set of data requests be extended from November 2 to December 3, 2007, and that the date for responses to the second set of data requests be extended from November 15 to December 17, 2007. Enviro/Con also requests a change in the date of the prehearing conference, now scheduled for November 28, 2007, to a date subsequent to the deadline for submitting responses to data requests.

Good cause is shown for the requested extensions. The change in prehearing conference date and Enviro/Con's requests are granted.

NOTICE IS GIVEN that the second set of data requests must be submitted by December 3, 2007. Responses are due on December 17, 2007. The prehearing conference scheduled for November 28, 2007, will now take place on January 10, 2008, at 9:30 a.m. in Room 108 at the office of the Commission, Richard Hemstad Building, 1300 S. Evergreen Park Drive, S.W., Olympia, Washington.
