Dear UTC Commissioners,

Keeping households connected to power is important to me because...[Tell your story. Why is this issue important to you?]

In line with that, I urge you to:

- Keep Washington families connected to power for the duration of the pandemic and through economic recovery.
- Erase the utility debt of low-income households.
- Require utilities to pay their fair share. Prohibit utilities from charging customers for lost customer load and fees they are legally prohibited from collecting.

Sincerely,
Shirley McElroy Ray
