RE: *UTC v. Puget Sound Pilots*
Docket TP-220513

Dear Ms. Maxwell:

On August 10, 2023, the Washington Utilities and Transportation Commission (Commission) entered Order 08 Final Order in the above-referenced docket. Order 08, among other things, required the Puget Sound Pilots (PSP) to make a compliance filing in this docket including all tariff sheets necessary and sufficient to effectuate the terms of the final order, with an effective date allowing five business days after the filing for review by Commission Staff (Staff).

On August 16, 2023, PSP filed with the Commission the required tariff sheets, supporting spreadsheets, and general ledger entries for the most recent 12 months of fuel costs.
Staff reviewed the compliance filing made by PSP on August 16, 2023, and finds that it contains sufficient detail with respect to updated fuel costs and supporting price-out information to substantiate the rates contained in the included filed tariff pages. Therefore, Staff believes that the filing complies with the Commission's Order 08, entered August 10, 2023.

Sincerely,

/s/ *Jeff Roberson*, WSBA No. 45550
