NOTICE GRANTING REQUEST TO FILE REVISED RESPONSES
(By October 17, 2003)

RE: In the Matter of the Petition of Qwest Corporation For Competitive Classification of Basic Business Exchange Telecommunications Services
Docket No. UT-030614

TO THE PARTIES:

On October 14, 2003, AT&T filed a motion asking the Commission to enter an order accepting its restated responses to the questions posed in Order No. 06. Order No. 06 required all competitive local exchange carriers (CLECs) in the state of Washington to respond to questions about the types of business local exchange service they offered.

Since all other CLEC parties to this proceeding have already filed supplemental or revised responses pursuant to Order No. 06, it would be appropriate for AT&T also to file such revised responses.

AT&T may submit its revised responses to Commission Staff and Public Counsel on, or before, October 17, 2003. Commission Staff should incorporate these revisions into the calculation of Qwest's market share, similar to the confidential calculation Staff attached to its response to the CLECs' earlier filed joint motion to require a re-survey of CLECs. Commission Staff should be prepared to present its revised calculations on October 21, 2003.

Sincerely,

THEODORA M. MACE
Administrative Law Judge
