**NOTICE REVISING DEADLINE
(Response to Bench Request No. 1 now due May 3, 2011)**

RE: *In the Matter of Determining the Proper Carrier Classification of Lowper, Inc. d/b/a Lowper Corporation, a/k/a Lowper Water Company and Iliad Inc. d/b/a Lowper Water System, Docket UW-091006 and In the Matter of the Penalty Assessment Against Lowper, Inc. in the Amount of \$10,500, Docket UW-110213, (consolidated)*

On April 28, 2011, the Washington Utilities and Transportation Commission (Commission) issued Bench Request No. 1 requesting that the parties file their partial settlement agreement on April 29, 2011.¹ On April 29, 2011, the Commission's regulatory staff (Staff), with the agreement of Lowper, Incorporated, requested that the Commission revise the deadline for responding to this Bench Request. Staff suggests that the response should be due on May 3, 2011. Staff indicates that unavoidable scheduling conflicts have necessitated the delay.

Pursuant to WAC 480-07-385, good cause exists to revise the deadline for response to Bench Request No. 1, and none of the parties or the Commission will be prejudiced by granting such a request.

NOTICE IS GIVEN That Response to Bench Request No. 1 is now due May 3, 2011.

Sincerely,

MARGUERITE E. FRIEDLANDER
Administrative Law Judge

¹ The parties proposed this deadline at hearing on April 27, 2011, with the caveat that they may need additional time to finalize the agreement.
