Re: TG-101542, TG-101545, and TG-101548 (Consolidated) – Motion/Request Extension of Time to
File Replies to Motions For Summary Determination

Dear Mr. Danner:

Pursuant to WAC 480-70-385, Petitioners Mason County Garbage Company, Murrey's Disposal Company, Inc. and American Disposal Company, Inc., joined by Intervenor Washington Refuse and Recycling Association, hereby request an extension of time for all parties for filing replies to the Motions for Summary Determination from the current due date of Monday, February 28, 2011 to the close of business Friday, March 11, 2011. This request is based upon the current workload of the undersigned, some scheduling conflicts that have intervened since the original schedule was set in December and the benefit a modest amount of additional time will afford in response. Based on contacts with the Assistant Attorney General and Ms. McNeill for Intervenor Waste Management of Washington, Inc. last week, it is my understanding that the staff does not oppose a request for continuance and Ms. McNeill would support the request.

Please let me know if you have any concerns about this extension request and I appreciate the Commission's attention to this matter.

Yours truly,

David W. Wiley
Attorney at Law
