**Re: Washington Water Supply, Inc.'s Compliance Filing—Order 04, Order Approving Settlement
Docket UE-230997**

Dear Mr. Killip:

On June 14, 2024, the Washington Utilities and Transportation Commission entered Order 04 in the above referenced docket. Order 04 approved a full settlement that resolved all issues in the docket and required Washington Water Supply, Inc. (WWSI) to file a revised surcharge tariff pursuant to the approved settlement.

WWSI filed its revised surcharge tariff on June 17, 2024, and refiled on June 18, 2024 to replace the generic month placeholders with the actual months that each surcharge amount will be charged on customer bills. The surcharge tariff, entitled “Revised Cost Recovery Surcharge,” will become effective on July 1, 2024.

Order 04 authorized WWSI to recover \$13,709.90 over six months through a surcharge of \$60.00 per customer for the first five months and \$26.43 per customer for the sixth and final month. Customers may elect to pay a one-time surcharge of \$326.43 in lieu of monthly charges.

Commission Staff has reviewed WWSI’s compliance filing. Staff believes that the Revised Cost Recovery Surcharge filed on June 18, 2024, complies with Order 04.

Sincerely,
