RE: In the Matter of the Petition of Qwest Corporation for Arbitration with
Eschelon Telecom, Inc. Pursuant to 47 U.S.C. §252 of the Federal
Telecommunications Act of 1996 – Docket No. UT-063061

Dear Ms. Washburn:

Enclosed for filing are the original and eight copies of Eschelon's Post Hearing Brief and attachments. I have also enclosed a Certificate of Service.

Attachment 1 is a Testimony Map showing where discussion of each issue begins in the prefiled testimony. Attachment 2 is a matrix regarding evidence in the record supporting Eschelon's Jeopardy proposals. These attachments were provided to the Commissions in Arizona and Colorado (with state-specific citations) along with Eschelon's Brief, and are provided here as well for the ease of reference of the Administrative Law Judge and the Commission.

Consistent with the June 21, 2007 Order Granting Joint Motion for Single Compliance Filing and Vacating Portions of Procedural Schedule (Order 12 in this matter), the Brief does not address the wire center issues (Issue Nos. 9-37 – 9-42) at this time.
