Re: *Washington Utilities and Transportation Comm'n v. Puget Sound Pilots* - Docket TP-190976

Dear Mr. Johnson:

Enclosed for filing in the above-referenced docket on behalf of PMSA are revised testimony and exhibits of Capt. Michael Moore, Jordan Royer, and John C. Ramirez, an Exhibit List, and a Certificate of Service.

We recently noticed that our original filing on May 27 did not include an overall exhibit list and that the testimony and exhibits did not conform in all respects to the requirements under WAC 480-07-460 (for example, the exhibit numbering conventions used). We also revised in some instances to accord line spacing with line numbers for clarity of citations in the proceeding. None of the revisions in this submission are substantive in nature.

Sincerely,

FOSTER GARVEY PC
