BACKGROUND

On June 30, 2000, Harbor Springs Water Co., Inc., filed with the Commission under its revisions to its currently effective Tariff WN U-1, designated as:

First Revised Sheet No. 2 Canceling
Original Sheet No. 2 and
Original Sheet No. 21.

It appearing that the filing herein would increase rates for service rendered by respondent and that the rights and interest of the public might be injuriously affected thereby, the Commission, on July 31, 2000, entered a Complaint and Order Suspending Tariff Revisions.

The Commission is now in receipt of a letter dated November 28, 2000, whereby respondent requests that the tariff revisions filed in this docket be withdrawn.

From all indications, it appears to be in the public interest to accommodate the request and to concurrently dismiss the Complaint and Order Suspending Tariff Revisions.

This matter was brought before the Commission at its regularly scheduled open meeting on March 28, 2001. The Commissioners, having been fully advised in the matter, and having determined the following order to be consistent with

the public interest, directed the Secretary to enter this order and related provisions.

ORDER

THE COMMISSION THEREFORE ORDERS That the tariff revisions, filed in this docket UW-001028, shall be and the same are hereby withdrawn, and that the Complaint and Order Suspending Tariff Revisions in this docket dated July 31, 2000, shall be and the same is hereby dismissed.

DATED at Olympia, Washington, and effective this 28th day of March, 2001.
