**Re: Docket No. UE-021250
Schedule 93 Report—Compliance Filing**

Dear Ms. Washburn:

Pursuant to the Order Requiring Reporting in Docket UE-021250, this filing is Puget Sound Energy's annual report for Schedule 93, Voluntary Load Curtailment Rider. Market conditions in the past 12 months have not been favorable for exercising the voluntary load curtailment process under Schedule 93. Hence there has been no activity under Schedule 93.

If you have any questions about this report please contact me at (425) 456-2797.

Very truly yours,
