ERRATA TO ORDER GRANTING TEMPORARY EXEMPTION

Re: In the Matter of the Petition of Murrey's Disposal Company, Inc., Seeking Exemption from the Provisions of WAC 480-70-396 Relating to Billing, Docket No. TG-030060, Order No. 01

TO ALL PARTIES:

On February 12, 2003, the Commission entered an Order Granting Temporary Exemption in the above matter. The order incorrectly states the permit number for Murrey's Disposal Company as Permit Number G-87.

This erratum notes and corrects the permit number error. **The correct Permit Number is G-9.**

Sincerely,

CAROLE J. WASHBURN
