Dear Ms. Washburn:

Subject: **CONTRACT NO. 1337ICB (Amendment No. 1 in UT-030293)**

Verizon Northwest Inc. submits for filing Contract No. 1337ICB, an Amendment No. 1 to an existing customer specific contract that provides Analog Video Transport Service. The customer is currently receiving this service under Contract No. 1277, effective May 13, 2004 in Docket No. UT-030293 for a three year term. The purpose of Amendment No. 1 is to extend the term for thirty-six (36) months. All other terms and conditions of the Service remain in effect as stated in the Agreement. The Amendment does not affect the rate the customer pays for the service. This contract provides for bi-directional 750MHz analog video transport service. This service is being offered on a contract basis because it is not available under the tariff and has very limited demand.

The company requests approval on less than required notice with an effective date of May 12, 2007 in order to have the Amendment effective prior to the termination date of the current term. The LRN Form is attached to this filing.

Verizon submits the documentation required in Section 5 of WAC 480-80-142 as an attachment to this contract filing. Verizon considers the contract to be confidential and protected under the provisions of WAC 480-07-160. This contract is marked "confidential per WAC 480-07-160". The Company may be harmed for commercial reasons if this information is not considered confidential.

Carole J. Washburn, Executive Secretary
