Dear Ms. Washburn:

Subject: **CONTRACT NO. 1306ICB**

Verizon Northwest Inc. submits Contract No. 1306ICB, Amendment No. 1 to an existing customer specific agreement for 5-1-1 Routing Service.

The original agreement was filed under Contract No. 1259ICB, effective July 10, 2003 in Docket No. UT-031039. Please refer to Verizon's June 26, 2003 advice letter for Contract No. 1259ICB in this docket. The background and caveats stated in that letter are also applicable to this amendment.

Amendment No. 1 does not impact the rates in the current agreement. Service will be provided on a month to month basis for up to twelve (12) months or until a general tariff filing is available.

Since the Company and Staff have agreed to the terms for providing this service, no new cost support documentation is included with this filing.

The Company requests an effective date of July 11, 2005 for this filing.

Please contact Lin Fogg at (425) 261-6380, if you have questions.

Very truly yours,

David S. Valdez
