RE: Grade Crossing Protective Fund, RCW 81.53.281
Docket No. TR-031384

TO INTERESTED PERSONS:

On September 9, 2003, the Commission sent a Notice of Workshop related to the Grade Crossing Protective Fund. Please note the following corrections to the original notice:

- The notice states that, "If you cannot attend the workshop, you can arrange to dial into the Commission's conference bridge at (360) 664-3846." The conference bridge line will not be available for the Grade Crossing Protective Fund workshop as it is already scheduled for use for another workshop at the Commission on September 30, 2003. Persons interested in participating in the workshop must either attend the workshop in person or submit written comments as specified in the original notice.
- The notice states that "The Commission will post on the Commission's website all comments that are provided in electronic format. The website is located at <<http://www.wutc.wa.gov/030311>>." The correct website address for this proceeding is <<http://www.wutc.wa.gov/031384>>.

Sincerely,

CAROLE J. WASHBURN
