**RE: Notice of Intent to Send to Collections, Penalty Assessment No. TE-051086**

Dear Mr. Obtinario:

As you are aware, on July 18, 2005, the Washington Utilities and Transportation Commission ("commission") issued a Penalty Assessment against you in the amount of \$4,000 for violations of a January 6, 2005, Order in Docket TE-040835, in which the commission canceled your operating authority.

The commission has not received the \$4,000 payment due and owing.

**This is to notify you that the commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$4,000 balance.

If you have any questions about this letter or about your obligations under commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

Sally Brown  
Senior Assistant Attorney General
