COMMISSION

The Commission believes that you have committed one or more violations of Washington Utilities and Transportation rules; specifically WAC 480-120-303, which requires competitively classified telecommunications companies to file annual reports with the Commission no later than May 1 each year. Despite repeated notice of this obligation, you did not file an annual report until July 19, 2005. As a result, the Commission hereby notifies you that it has assessed penalties against you in the amount of \$100.00. The basis for the penalty assessment is as follows:

On March 9, 2005, the Commission mailed 2004 Annual Report forms and 2005 Regulatory Fee packets to local and competitive telecommunications companies registered in Washington State. A letter signed by Executive Secretary Carole Washburn instructed companies to file annual reports by May 1, 2005. Companies requesting an extension were asked to do so prior to May 1, providing a reason for the requested extension.

On June 3, 2005, a letter signed by Carole Washburn was sent to each telecommunications company that had not filed an annual report by May 1, 2004. The letter stated that Staff intended to recommend enforcement action, including possible penalties and/or suspension or revocation of authority, for any company that failed to file a completed annual report by July 1, 2005.

Penalties are due and payable upon receipt of this penalty notice. If for any reason you believe the violations described did not occur, you may request a hearing to contest the occurrence of the violations. If you have an explanation as to why the violations occurred, or have other facts you believe the Commission should have considered, RCW 80.04.405 provides that you may make application for mitigation of this penalty.

To do so, complete the enclosed mitigation form and return it to the Washington Utilities and Transportation Commission, Post Office Box 47250, Olympia, Washington 98504-7250, within FIFTEEN (15) days of your receipt of this penalty notice. You may, although you are not required to, present your request for mitigation at a hearing. The Commission will consider your plea and notify you of its determination.

If you request a hearing to contest either the occurrence of the violations or the amount of the penalty, please state why you believe a hearing is called for in your circumstances. Failure to request a hearing to contest the occurrence of the violations or the amount of the penalty, return the mitigation plea, or pay the amount due within 15 days will cause the Commission to refer this matter to the Office of the Attorney General for collection. Suit may then be brought against you and after trial, judgment may be entered against you.

DATED at Olympia, Washington and effective this ~~5th~~ day of December 2005.

PATRICK OSHIE, Commissioner
