

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

APPLICATION FOR MITIGATION OF PENALTIES

NOTE: This form must be completed, signed, and received by the Commission within 15 days of your receipt of this form.

I have read and understand RCW 9A.72.020, which states that making false statements under oath is a class B felony (printed below). I am over the age of 18, am competent to testify to the matters set forth below and I have personal knowledge of those matters. I hereby make, under oath, application for mitigation of the penalties (as described in the attached Notice of Penalties), for the following reasons:

We did not receive by mail the Regulatory Packet. When we realized that we had not received it, we phoned WUTC and a packet was faxed to us which we completed and returned promptly. Apparently we did not receive the regulatory calculation sheet because if we returned all that was sent to us. The regulatory calculation sheet is 0. I in good faith complied all that I thought was necessary by returning all the faxed sheets back to you except the missing reg. sheet. For this reason, I do not believe I should be penalized 100.00.

Thank you for the opportunity to reply to you and your consideration in this matter which I did not purposely ignore. If I would have had the packet, I would have returned it. When I received the packet, I did return it all, not expecting anything to be missing from the packet.

I declare under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Dated: 1-13-06 [month/day/year], at Aberdeen, WA [city, state]
