Subject: Docket UT-063022, Interconnection Agreement between Comcast Phone of Washington, LLC d/b/a Comcast Digital Phone, and Cellco Partnership d/b/a Verizon Wireless

Dear Ms. Emmott:

On March 17, 2006, Comcast Phone of Washington, LLC d/b/a Comcast Digital Phone (Comcast) filed a request for approval of a fully negotiated interconnection agreement between Comcast and Cellco Partnership d/b/a Verizon Wireless in Docket UT-063022. The agreement is a consent item scheduled for the commission's open meeting on April 26, 2006.

The agreement provides rates, terms and conditions for interconnection and reciprocal compensation. The purpose of this letter is to make note that the agreement was filed 41 days late. The commission reserves the right to investigate, and if appropriate, commence a separate proceeding to complain, enforce, and penalize Comcast for failure to meet the filing requirements of Section 252 of the Telecommunications Act of 1996. WAC 480-07-640 (effective January 1, 2004) makes it clear that interconnection agreements are to be filed for approval within 30 days after the agreement is signed. A similar letter has been sent to Verizon Wireless.
