Subject: Docket UT-073022, Late-filed Interconnection Agreement with XO Communications Services, Inc.

Dear Jackie Philips:

On April 25, 2007, CenturyTel of Washington, Inc. et al (CenturyTel) filed a request for approval of an interconnection agreement (agreement) between CenturyTel on behalf of CenturyTel Service Group and XO Communications Services, Inc. (XO Communications) in Docket UT-073022. The agreement is a delegated item scheduled for approval in July 2007.

The agreement provides rates, terms and conditions for directory services. The agreement was signed by XO Communications on March 16, 2007 and has an effective date of March 20, 2007. The agreement appears to be late-filed. The commission reserves the right to investigate, and if appropriate, commence a separate proceeding to complain, enforce, and penalize CenturyTel for failure to meet the filing requirements of Section 252 of the Telecommunications Act of 1996. WAC 480-07-640 (effective January 1, 2004) makes it clear that interconnection agreements are to be filed for approval within 30 days after the agreement is signed.

For further information, or if you have any questions, please contact Deborah Reynolds by e-mail dreynd@wutc.wa.gov or telephone (360) 664-1255.

Sincerely,

Carole J. Washburn
