BACKGROUND

- 1 On April 24, 2008, WDT World Discount Telecommunications Co. (WDT or Company) filed with the Washington Utilities and Transportation Commission (Commission) a petition for an extension of time to file its annual report for 2007 as required by [WAC 480-120-382](#). According to WDT, it is unable to prepare the report due to inconsistent formatting of data received. WDT seeks an extension until June 1, 2008.

- 2 Commission Staff reviewed the request and recommended granting WDT’s request for temporary exemption.

FINDINGS AND CONCLUSIONS

- 3 (1) The Washington Utilities and Transportation Commission is an agency of the State of Washington vested by statute with the authority to regulate public service companies, including competitively classified telecommunications companies. [RCW 80.01.040](#), [RCW 80.04](#) and [RCW 80.36](#).

- 4 (2) WDT is a competitively classified telecommunications company and a public service company subject to Commission jurisdiction.

- 5 (3) WDT is subject to [WAC 480-120-382](#), which requires competitively classified telecommunications companies to file an annual report no later than May 1 of each year.

- 6 (4) Under WAC [480-120-015](#), the Commission may grant an exemption from any rule in WAC [480-120](#), if consistent with the public interest, the purposes underlying regulation and applicable statutes. *See also* [WAC 480-07-110](#).
- 7 (5) Granting the requested temporary exemption will enable the company to provide a more complete and informative report.
- 8 (6) This matter came before the Commission at its regularly scheduled meeting on April 30, 2008.
- 9 (7) After reviewing the petition WDT filed in Docket UT-080696 on April 24, 2008, and giving due consideration, the Commission finds that the exemption is reasonable and should be granted.
