RE: Penalty Assessment: UT-081124

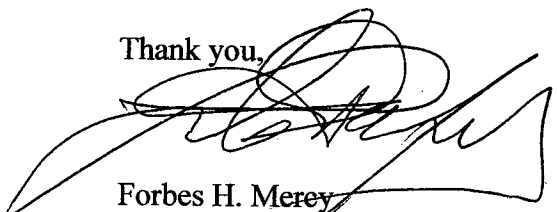

To whom it may concern,

In September, 2007 our telecommunications coordinator sent notice to all vendors, including you, stating that Northwest Info Net was ceasing all operations effective October 1, 2007. You have ignored our letter and continued to bill us and expect reports.

At this time the only remaining part of Northwest Info Net is the incorporated name, no customers, no bank accounts, Accounts Receivable or Payables. After the Corporate license expires the company will completely cease to exist.

Please void your invoice as we properly notified you and there are no funds to pay your bill. Please respond with confirmation that you have complied with our earlier request. Excuse our delayed response as we infrequently check the mail at our old address, it is not out of disrespect to your Judge, but rather we have no business therefore have no reason to check more often.

Thank you,

Forbes H. Mercy
