REDACTED

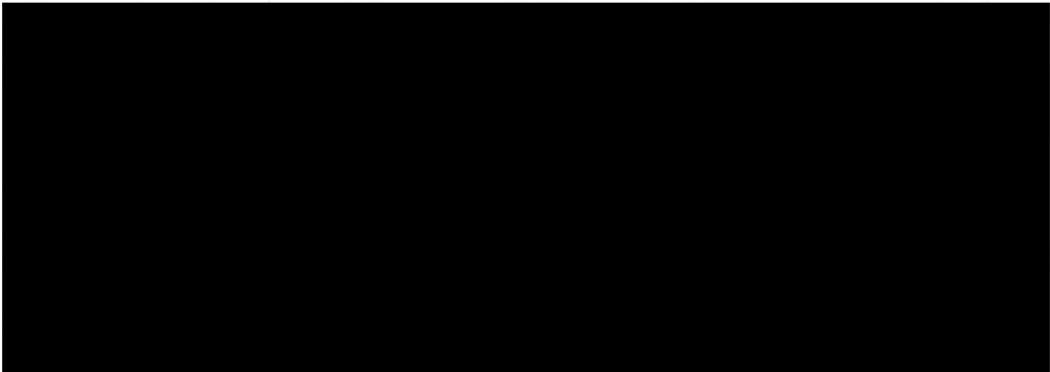

September 5, 2008

To Whom It May Concern:

[Redacted] in the Centralia area are in the process of building a new [Redacted]. We are closing in on exhausting our DID number ranges with [Redacted] of which were recently acquired.

[Redacted] anticipates the need for a total of 2,500 DID numbers. We would like to know the availability of this quantity prior to December 1, 2008 in order to begin deployment by 1st quarter 2009.

In order to incorporate within existing number ranges and accommodate the existing internal company dialing plan as well as [Redacted] needs the new number range to be in one of the following ranges (listed in our order of preference):

Respectfully,
