Substitute Tariff Pages

Dear Mr. Danner:

This is to request withdrawal of the previous 7-day LSN filing of January 5, 2009 and, provided herewith, is a substitute filing on a 1-day LSN notice basis under WAC 480-70-261(3), to feature an additional disposal site option requested by customers and also necessitated by the temporary closure of the currently-utilized transfer station due to operational interruption as a result of the inclement weather and historical snow fall.

Please contact the undersigned should you have any further questions on this matter.

Yours truly,

Adrienne Choate
