Dear Debbie,

We are happy to agree to a stopped clock on the 120 review period until such time as you are able to submit a complete draft Comprehensive Solid Waste Management Plan. Let us consider it stopped as of today. When you submit a complete draft, I will again forward it to the WUTC and they will again have 45 days to conduct their review, as they never accepted your plan as complete.

Thank you,

Diana Wadley

Dept. of Ecology

Dear Diana,

Due to time delays in preparing Whatcom County's Comprehensive Solid Waste Management Plan, the WUTC Cost Assessment is no longer relevant. We are requesting that Ecology suspend the 120 day review period until such a time as the Cost Assessment can be brought up to date and a full draft plan be re-submitted.

Thank you,

*Debbie Bailey*
