

**WAC 480-120-399 Access charge reporting**

- (i) **The actual demand units for year 2008 for each switched access tariff rate element (or category of switched access tariff rate elements, both originating and terminating) Qwest Corporation has on file with the commission.**

See attached report "Qwest Switched Access 2008 Demand"

- (ii) **2008 imputed demand units that Qwest Corporation would have had to purchase from itself if it had been an unaffiliated toll carrier using feature group D switched access service both originating and terminating demand units:**

Originating Access Equivalent Minutes of Use

Terminating Access Equivalent Minutes of Use
