Subject: **CONTRACT NO. 1415 ICB**

Frontier Communications Northwest Inc. (formerly known as Verizon Northwest Inc.; Frontier; the Company) submits for filing Contract No. 1415 ICB, which standardizes the customer's local exchange service payment deadlines across twelve states, including Washington, for a period of sixty months. The service is offered under contract because the negotiated terms and conditions are not available under tariff. Since no service rate is affected, no cost study is provided. The company requests an effective date of September 17, 2010 for this contract.

Frontier considers the customer identity to be confidential and protected under the provisions of WAC 480-07-160 and under the exemption from disclosure requirements per the Public Records Act, Chapter 42.56 RCW. An unredacted copy of the contract is marked "Confidential per WAC 480-07-160". The company, for commercial reasons, may be harmed if this information is not treated by the Commission as confidential.

With regards to the contract, Frontier will comply with any applicable resale obligations required by RCW 80.36.170 and 80.36.180.
