Subject: **CONTRACT NO. 1420 ICB - Renewal in UT-072209**

Mr. Danner:

Frontier Communications Northwest Inc. ("Frontier NW") submits for filing Contract No. 1420 ICB, a renewal for a customer specific contract that provides DS1 Special Access Line(s) Service for a term of twelve (12) months.

The service is offered under contract because the competitive nature of the service justifies competitive pricing not available under the tariff. The company requests an effective date of February 14, 2011 for this contract.

Frontier NW submits the documentation required in Section 7 of WAC 480-80-142. Frontier NW considers the cost computations required under sub-section 7 (b)(iii) to be confidential and protected under the provisions of WAC 480-07-160 and under the exemption from disclosure requirements per the Public Records Act, Chapter 42.56 RCW. The cost documentation is marked "Confidential per WAC 480-07-160". The company, for commercial reasons, may be harmed if this information is not treated by the Commission as confidential.

With regards to the contract, Frontier NW will comply with any applicable resale obligations required by RCW 80.36.170 and 80.36.180.
