Subject: **CONTRACT NO. 1422ICB – Docket No. UT-090432**

Mr. Danner:

Frontier Communications Northwest Inc. ("Frontier NW") submits for filing Contract No. 1422ICB, Addendum No. 1 to an existing customer specific contract filed under Contract No. 1386ICB that provides Integrated Services Digital Network-Primary Rate Interface (ISDN-PRI) service for a term of twenty-four (24) months. The customer had exercised the 60 day extension available in the contract to allow time to negotiate a new contract. The purpose of the amendment is to extend the term of the contract for ten (10) months in order to allow additional time to negotiate a new multistate services agreement.

The services are offered under contract because the pricing is not available under tariff. The company requests an effective date of February 26, 2011 for this contract.
