Dear Sirs:

Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff # 12

Please find enclosed revised tariff pages 2, 6, 23 and 31 for the above-referenced company. The purpose of these tariff page revisions is to remove the tariff rates for customers residing in Grant County from the tariff. Concurrently, we will be adding these same tariff rates to our Waste Management of Ellensburg, Tariff #11.

Beginning April 4, 2011, we will begin servicing the Grant County customers from our operations in Ellensburg. Accordingly, it is necessary that we remove the tariff rates from our Waste Management of Greater Wenatchee Tariff # 12 and add the rates to our Waste Management of Ellensburg Tariff #11. As there is no change to the service levels offered or rates charged to the customer, we are requesting the effective date of these tariff revisions be April 4, 2011.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,
